

## South Gosforth First School

*'Roots to grow and wings to fly'*

### COVID-19 - Visitor Agreement

**By signing in to visit our school at this time you are agreeing to the terms set out below:**

- I will not enter school if I have any symptoms of coronavirus such as a high temperature, continuous cough or loss of sense of smell / taste.
- We would prefer that any external visitors and professionals coming in to school wear a face mask if this is possible, unless this significantly inhibited the work being carried out, in which case we would encourage social distancing as much as possible.
- I will inform the Head Teacher if I develop any of these symptoms when on site.
- If I have a positive diagnosis of COVID-19 within 14 days of my visit I will inform school immediately.
- If I am working with a child and I suspect that they are showing any symptoms of COVID-19, I will notify a member of staff immediately.
- I will wash / sanitise my hands on entry in to school and regularly throughout my visit.
- I will only use the rooms allocated to me by a member of senior management.
- I will not move between bubbles of children.
- I will only bring essential objects into school from outside, and any equipment will be wiped down with antiviral wipes prior to use by a child in school.
- I will maintain social distancing between all adults.
- I will attempt to maintain social distancing with children, although South Gosforth First School understands that there may be times when this cannot be achieved.
- I will promote good hygiene at all times.
- In the event of hearing the fire alarm I will evacuate by the nearest exit and keep social distance once on the school yard. I will then go to the end of the school field and line up at the fire congregation point.

**Many thanks for all your support with these measures. By working together, we can keep our school environment as safe as possible during this challenging time.**
