

**South Gosforth First School**  
*'Roots to grow and wings to fly'*

### Art & Design

To support our DT and Geography topic we shall be looking at the abstract work of 'The City' by F Ledger. We shall also continue to investigate secondary and complimentary paint colours.

### PE

#### Ball and Racket Skills: Quicksticks

This term we shall be developing our ball and racket skills further by practising our passing dribbling, attacking and scoring skills using Quicksticks.

### Maths

In Maths we shall be revisiting Year 2 objectives for Addition and Subtraction, Multiplication and Division before continuing to add and subtract 3- and 2-digit numbers and multiplying and dividing by 3 and 8.

### Literacy

This term we shall be creating plays and comic scripts using our class text '*The Abominables*'. We shall also be reading and writing our own narrative poems based on "*The Walrus and the Carpenter*" by Lewis Carroll. The children shall also be creating a persuasive piece writing linked to Geography topic on Inter-railing in Europe.

### Geography

For our first Geography topic this year the children will complete a topic called '*Where would I go inter-railing in Europe?*' We shall be learning about all the countries of Europe before comparing and contrasting the cities of London and Paris.

### Year 3 - Topic Title Enquiry Question

*'Where will I go inter-railing in Europe?'*

### Science

#### How strong is a magnet?

We shall be building of last term's knowledge and understanding of magnets by investigating how magnets have two poles and then carry out investigations to predict whether two magnets will repel or attract each other.

### Computing

The children will be developing their computing skills using Digital Art and Programming in Scratch. The unit will culminate in them writing a program using Scratch that includes movement and repetition.

### PSHE & 'Together Time'

This term we shall be answering the questions of '*What keeps us safe?*' We shall use the text '*We're All Wonders*' to explore this question and look at how we can keep safe at home and at school

### Design & Technology

*(The DT unit is linked to our Art topic)*

The children shall be investigating how to make stable structure in order to create a paper picture frame for their 'City' artwork.

### Music

In Music this term we shall be completing a unit of work on '*3 Little Birds*' and practise performing the song on tuned and untuned instruments.

**Character  
Culture  
Creativity  
Challenge**

**Enrichment, Hooks & Pupil Engagement:** Art exhibition: Create a paper picture frame for a piece of artwork inspired by F. Ledger.

**'The Big Picture' Task:**

**'Stunning Start' & 'Fantastic Finish':** MoE: TV presentation for 'Europe in 7 days'
